L'échiquier de musique est un instrument à cordes et à clavier, comportant huit à neuf touches, apparu au XIV^e siècle et qui disparaîtra peu à peu au XVI^e siècle. Ses deux seules représentations au monde se trouvent dans la **cathédrale du Mans**, l'un sur les voûtes de la chapelle de la Vierge (1377), l'autre dans la rose du vitrail qui ferme la baie 217 du transept nord (1430-1435)
