

TAÏMANOV - BRUK

"Divers"

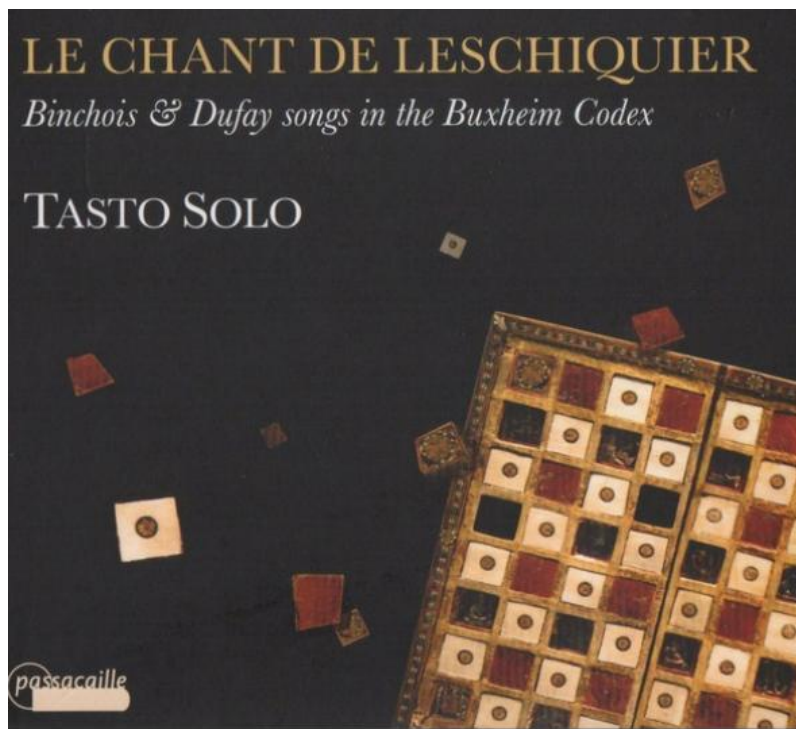

2 x CD - 1998 - Philips (456 736-2)

Lyubov Bruk, born 1926 in Kharkov, Ukraine, died 1996 in St Petersburg, and Mark Taimanov, born 1926 in Kharkov, make up the only piano duo in this edition. When they were 12, their joint teacher at the Leningrad music school, Samari Savshinsky, expanded their solo repertoire by including rarely performed works for two pianos in their practice programme. As a direct consequence of the German invasion, the music school and conservatory at Leningrad were moved to Tashkent, 1941-1944. There the duo finished music school, entered the conservatory and made their first public appearance (in private they were a two-some, too, from youth on). Completed their studies with distinction in 1948 and embarked on a busy concert career in the Soviet Union. Made recordings for Melodyia. Toured abroad in East Germany, Hungary and Czechoslovakia etc. Parted company, privately and professionally, at the beginning of the 1970s. Bruk and Taimanov's repertoire covered all the great works for two pianos. Their playing is distinguished by a flawlessness of tone and a perfect sense of ensemble. In addition to his career in music, Mark Taimanov, since his teens, has had a parallel career throughout the world as a chess grandmaster.

CHESSEBOARD

Musique: André Mello | Paroles: Alexandre Mello

A) The Game of Life

YOU PROMISED TO TAKE ME TO THE STARS
WHEN ALL THAT I NEEDED WAS TO STAY WITH YOU
RIGHT HERE IN MY ROOM, IN YOUR ARMS
BUT WE FOUND OUR WORLDS WEREN'T THE SAME

I WAS ALWAYS SO INDEPENDENT
LIVING SO WELL WITH MY LONELINESS
THE TASTE OF EMPTINESS SEEMED SO GOOD TO ME
DAYS WERE PASSING AS COLD AS ICE

WHY DID I HAVE TO SHARE WITH YOU ?
WHY DID I LEAVE YOU COME INTO MY LIFE?

PLEASE TAKE THESE FEELINGS AWAY FROM ME
I DON'T NEED ANYMORE
AND NEVER NEEDED IT BEFORE
JUST BRING BACK MY INNOCENCE

YOU STOLE IT FROM ME
AND GOD KNOWS YOU LIE
WHY DID I HAVE TO SHARE WITH YOU?
WHY DID I LEAVE YOU COME INTO MY LIFE?

IT'S VERY HARD TO SAY THIS WORD
IT JUST DOESN'T FLOW
THE ONLY THING I KNOW
I CAN'T LET YOU GO

I FEEL LIKE AN ANIMAL CAUGHT IN A TRAP
FALLING TO PIECES
LIKE A KING IN CHECK
ON A CHESSEBOARD

B) The Leaving

HOW CAN I SAY I'M SORRY
WHEN THIS IS NOT WHAT I WANT TO SAY?
I JUST WANT TO BREAK YOUR HEART
BEFORE YOU FINISH TO BREAK MINE

THE MERCY YOU WANT TO GIVE ME
IS NOT THE SAME I WANT TO RECEIVE
PLEASE WALK OUT OF THE DOOR AND GO AWAY
AND MY LIFE WILL BE MINE AGAIN

THE CHECKMATES

"Checkmate"

This is the first album recorded by THE CHECKMATES. All the members of the group live and work in and around Calgary, Alberta, Canada. For years now THE CHECKMATES have been, and I'm sure will continue to be an important part of the entertainment scene in the Calgary area. Obviously the boys put some careful thought into the material they recorded as they've picked many of the most requested songs of the day. All of THE CHECKMATES are capable of lead and backup vocal work and are equally as talented on their respective musical instruments. JOE POPEL is group leader and has the combined talents of JOE SCHULTZ, ERIC MURRAY, and RALPH MACLEOD blending together to form the sounds of THE CHECKMATES. I must say that to enjoy their music to its fullest, you should see them in person. If you have, I'm sure you'll return, if you haven't I suggest you do. In either case I recommend this album for your collection.

Erik TRUFFAZ

"Nina Valeria"

Erik Truffaz constitue une révélation. Le jury du concours de La Défense 1993 ne s'y est pas trompé qui a attribué son prix spécial au quintette franco-italo-suisse de ce musicien. Trois notes de bugle et l'on sait déjà à quel genre d'instrumentiste on a affaire : précision de l'attaque, moelleux de la sonorité, poésie du phrasé. Lorsque la sonorité ample, grasse, presque crémeuse du saxophone vient s'y mêler à l'unisson pour une reprise de la première phrase du morceau d'ouverture puis dans une espèce de pont incantatoire et flamboyant, lorsque l'on prête attention aux différentes façons dont la rythmique parvient à faire scintiller l'espace autour du thème, on sait qu'il ne s'agit pas seulement d'un excellent instrumentiste. Erik Truffaz sait mettre en scène sa trompette, son bugle, son écriture et son groupe. Il y a du drame, du mystère, de l'épique dans cette musique.
